SUBJECT : YOUR SERVICES

Dear Sir,

The outstanding performance of Liquid Casing and invaluable service tendered by your company can not be overestimated.

I would like you to know how deeply appreciative we are for your introduction of the lost circulation mud chemical.

During our first two work-over operations, it has worked splendidly and saved on a lot of operational time and cost.

For this, as well as other courtesies, we wish to thank you and we look forward to a continuance of this very cordial relationship and chemical supply services.

With best wishes to you and your company,

K. Fujita
Drilling Superintendent.
